

KASHMIR TRIP

AGES 45-65

20TH AUGUST '23 - 26TH AUGUST'23

KASHMIR FOR US

Gar Firdaus bar roo-e zameen ast, Hameen ast-o hameen ast-o hameen ast. When Amir Khusrau wrote the above lines which translate to “If there is paradise on Earth, it is here, it is here, it is here” for Kashmir, he voiced every single person who has set foot on this land. No traveler would ever say that they did not fall in love with Kashmir after witnessing its beauty.

Age is no barrier when it comes to travel. It's not about how old you are, but how young you feel. We don't want travel to be limited to just the youngsters. If you are 45+ and reading this, we want you to know that you have worked hard enough and deserve a long-awaited break. No better place to do it than Kashmir.

So, hop on. It's time to reclaim your freedom, explore a new place and create lasting memories.

We have been to Kashmir in all the seasons but there is something different about visiting in between June-September. The lush green valleys, gushing rivers and waterfalls, and perfect weather make for a memorable trip. Every day offers something magical here. The last time we went to Kashmir, we did not want to come back. Almost everyone extended their trip; well who wants to leave heaven right?
