

CHOPTA TUNGNATH TREK

12th April'24 morning - 14th April'24 night

CHOPTA-TUNGNATH FOR US

Chopta to Tungnath to Chandrashila Peak is a spiritual journey for most of us. It feels like a stairway to heaven. Lush meadows, snow-capped forests and mountains, and the peace that you'll feel here will make you want to stay. We are trekking to the highest Shiva shrine in the world and that is not an opportunity most people get.

We will also be heading to Deorital, a beautiful lake surrounded by snow-capped peaks.

Come, feel this one with us ❤️

DAY 1: ARRIVE AT DEHRADUN IN THE MORNING. EMBARK ON A SCENIC DRIVE FROM DEHRADUN TO SARI VILLAGE. REACH CHOPTA BY EVENING. O/N CHOPTA

We will depart from Dehradun early in the morning. It'll be a fun road trip with fellow trekkers with loads of soothing music and exciting games. The road here unfolds like a canvas, painting panoramic views of the majestic Ganges River, lush green valleys, and towering mountains.

We'll reach Sari village by evening. After freshening up and filling our tummies with some good food, it'll be time for a trek briefing. We will mentally prepare you for the adventure that begins the next day.

A little star gazing at night as well? Maybe :P

DAY 2: START THE DAY EARLY FROM CHOPTA TREK TO THE TOP OF TUGNATH AND CHANDRASHILA PEAK TO WITNESS THE MAJESTIC SUNRISE. AFTER SOAKING IN THE BEAUTY, TREK DOWN TO SARI VILLAGE. EXPLORE THE MARKET AT NIGHT. O/N SARI VILLAGE

It is time to rise and shine Firgun Family as we begin the first day of our trek. It'll be a trek full of energy. Some of it will be coming through us and some of it is from within your devotion.

As we hike, we will witness the spectacular views of the Himalayas. The anticipation builds with every step, knowing that the panoramic reward awaits at Tungnath. No, we will not be giving up as we hike through a beautiful trail to the Tungnath temple.

Once we reach Tungnath we will trek for another 1.5 kilometers and reach the highest point of our trek, Chandrashila Peak. Trek to Chandrashila Peak isn't a just summit trek but a conversation with the clouds, a place where you'll stand tall above the world, feeling the adrenaline rush and the beauty of the Himalayas unfold beneath you.

Imagine watching a sunset from this point. Witness the surreal 360-degree view of the Mountains of Garhwal and Kumaon - Nanda Devi, Trishul, Nandaghunti, Kamet, Dronagiri, Chaukhamba, etc. here. After our hearts are full with the time spent here, we will descend to Sari village. In the evening we will visit the local market.

DAY 3: TREK TO DEORITAL AND COME BACK TO SARI VILLAGE. LEAVE FOR DEHRADUN. FLY BACK TO YOUR RESPECTIVE CITIES.

Do you think the adventure is over? Not yet! Gear up for a jaw-dropping trek to Deorital! It will take about 1 hour to complete this 3km distance. This one is for that slow traveler within you who wants to find peace in the mountains. Fewer conversations, less music, and more time with our thoughts. You need this.

Deorital is an alpine lake surrounded by snowy peaks. Sit by the lakeside and feel it all. There is no stopping you. When our hearts are full, we will ascend down to Sari village.

Late afternoon, we'll reach back to Sari Village and begin our journey home.

It'll be time to bid goodbye to the mountains and with our heavy hearts and light backpacks, we'll start our journey to Dehradun. Hug tighter and smile wider because you've created some special bonds and core memories.
