

BIR BILLING

16th May night - 20th May night 2024

BIR FOR US

Bir-Billing is one of those destinations where if given a chance, we would love to run to at any time. It is one of the most soothing destinations in India. This paragliding capital, offers one of the best sunsets in the world and the peaceful walks in this town will stay with you forever.

The cafes, cycling experience, beautiful hikes, the local culture, and the vibe of this town are to die for.

When you are mid-air paragliding, at the second-highest site in the world, you will realise the beauty of life.

We will also take you to a gorgeous waterfall and off-beat places. Bir-Billing is our favourite and will soon become yours too.

We will reach Bir by 9 a.m. and will check in to our accommodation overlooking the Dhauladar ranges. After checking in, we'll take some time to unwind and recharge, and then we're off to explore the famous cafes of Bir!

Bir is known for its beautiful cafes and the fact that they are easily accessible (everything is within walking distance) makes for a great experience. And that is what we're going to be doing - a fun cafe hopping, exploring some of the most creative cafes offering scrumptious flavors of food.

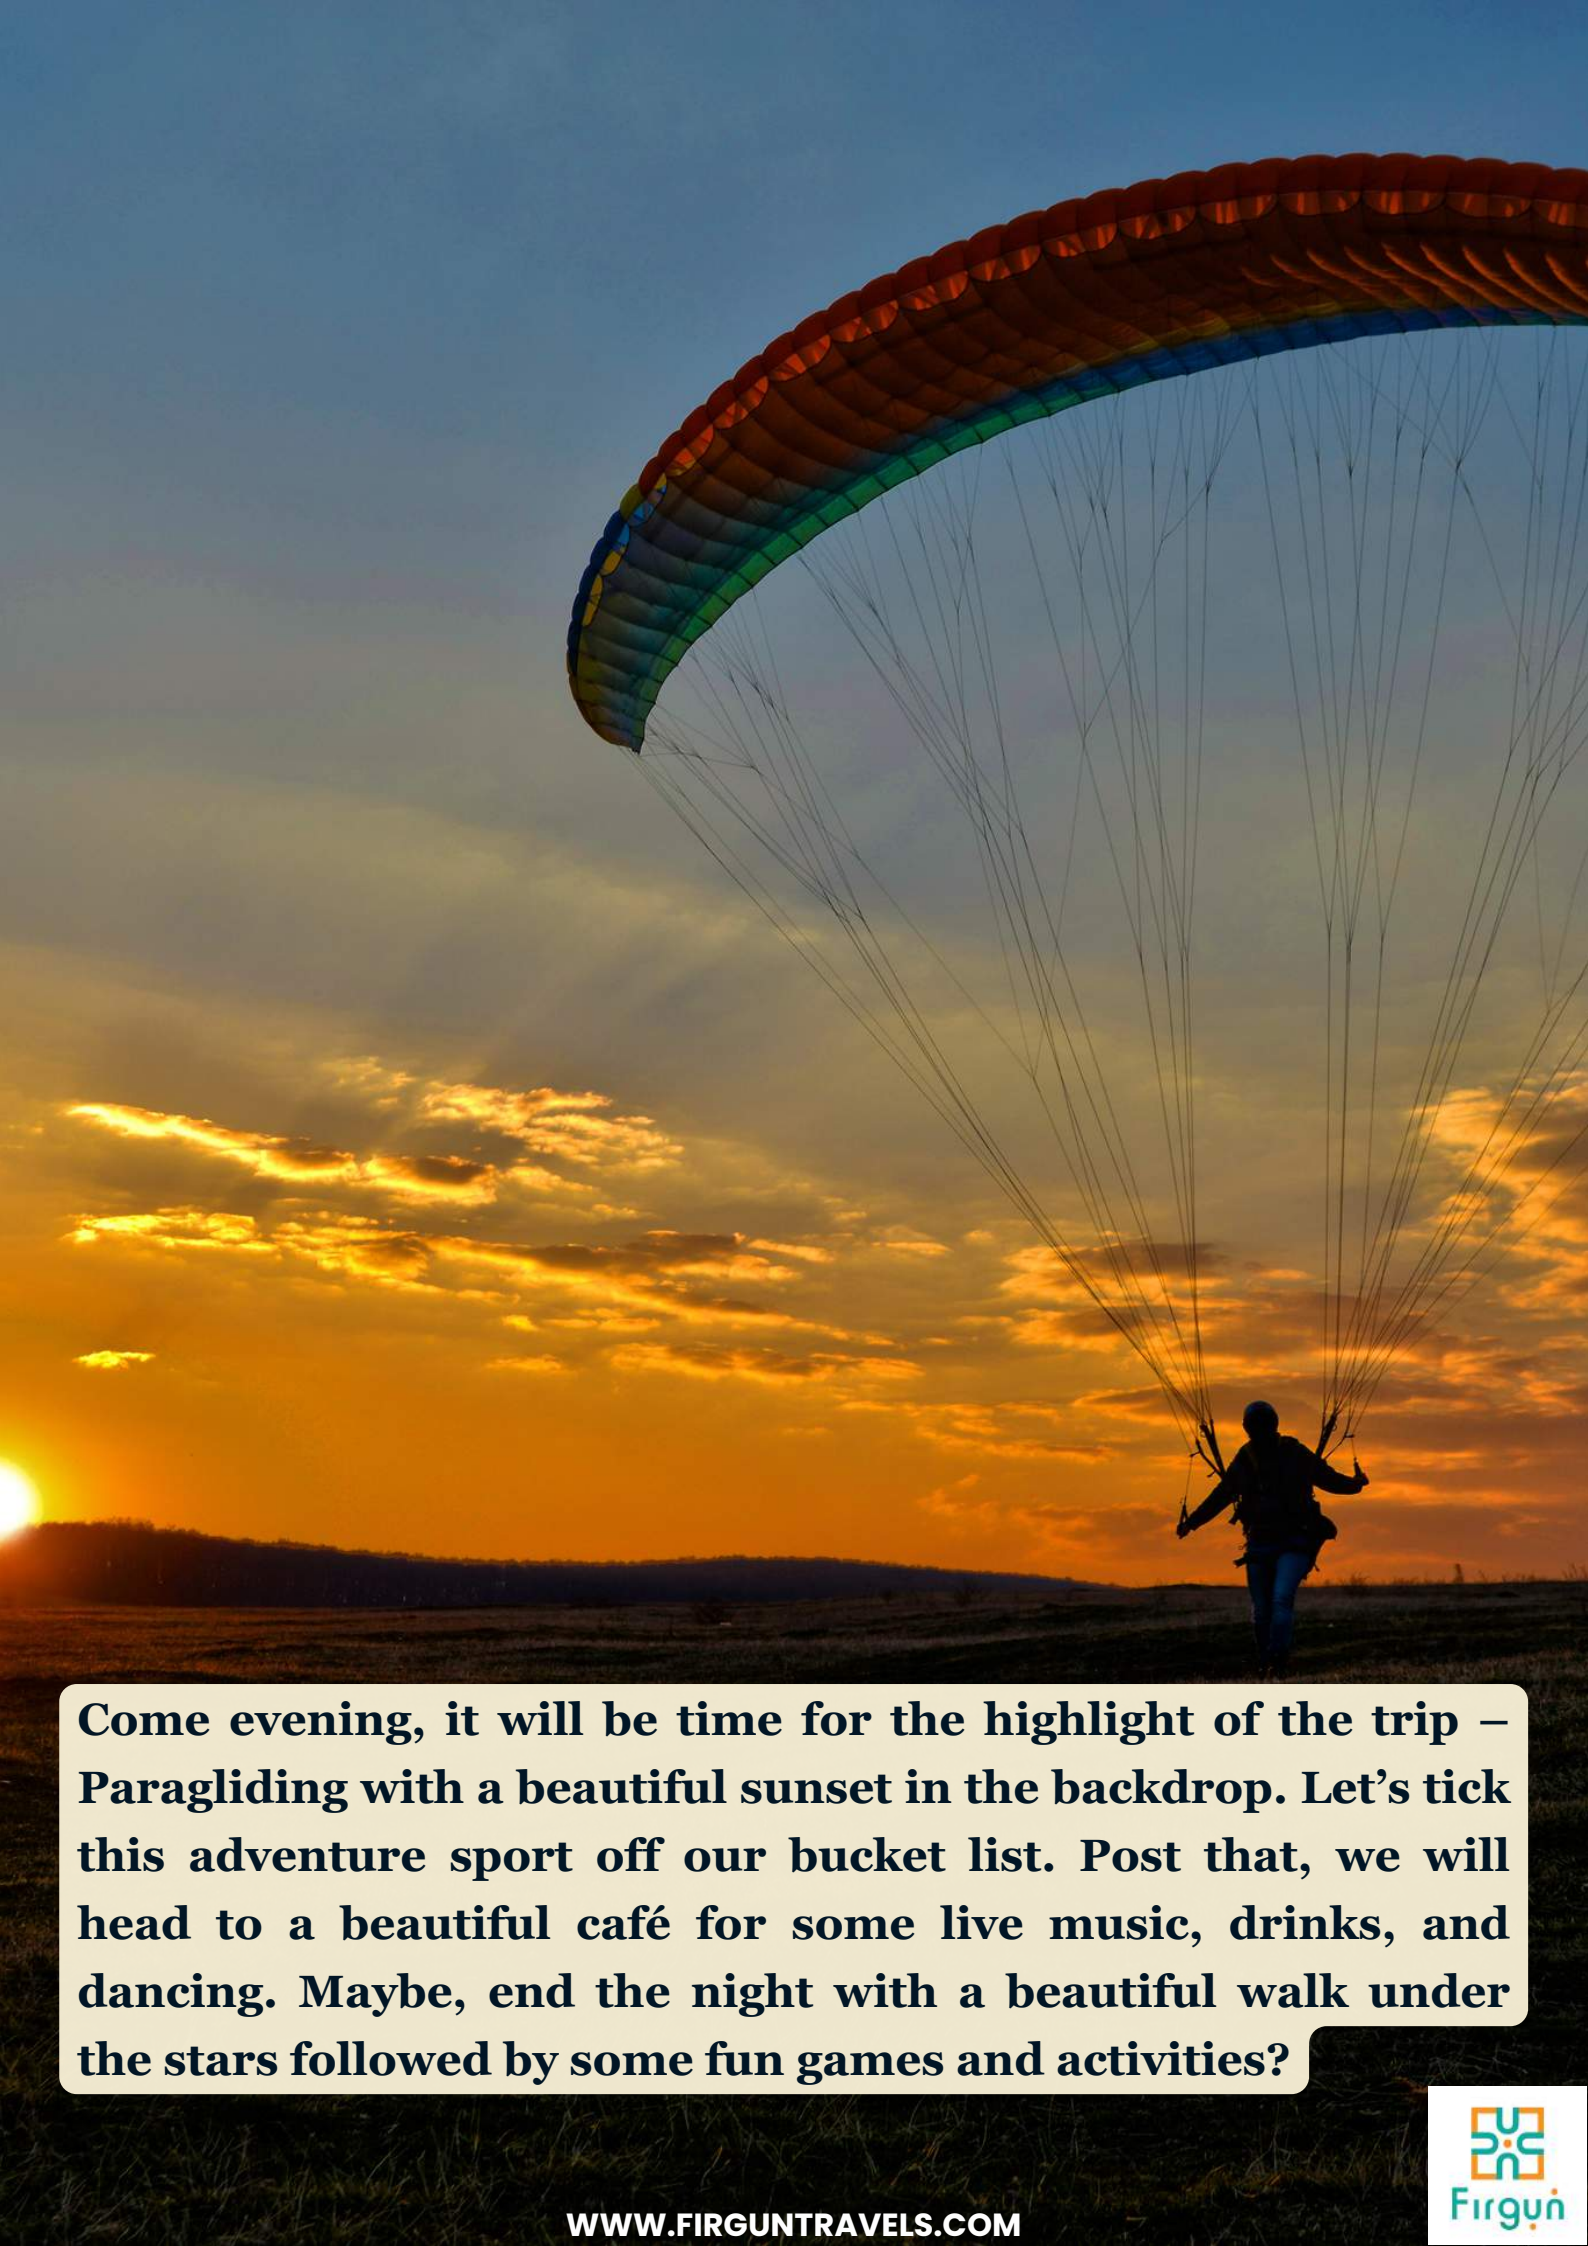

At sundown, we will embark on a fun hike to Mata Maheshwari Temple amidst the beautiful blue pine forest. No less than Narnia feels while hiking. After that, we will head to our stay, unwind, soak in the day's adventures, and have some heartfelt conversations.

Come evening, it will be time for the highlight of the trip – Paragliding with a beautiful sunset in the backdrop. Let’s tick this adventure sport off our bucket list. Post that, we will head to a beautiful café for some live music, drinks, and dancing. Maybe, end the night with a beautiful walk under the stars followed by some fun games and activities?

**DAY 3: A SHORT HIKE TO BANGORU WATERFALL
FOLLOWED BY SKY CYCLING AND OTHER
ADVENTURE SPORTS. TRANSFER TO DELHI
OVERNIGHT**

In the morning, we will go for a short but adventurous hike to Bangoru waterfall. Untouched by many, a hidden gem surrounded by lush green grass, is certain to leave you speechless.

That sukoon waala place that you are looking for? You will find that here. We will sit close to the falls and along with clicking pictures, we will also try and spend some time with our own thoughts.

Next up is Sky cycling - something you should definitely try. A cold breeze hitting your face while you're up in the air, with the sky changing its colors at sundown, balancing on a wire; nothing can get more adventurous and happening than this.

You probably came alone but you will be going back with a bunch of new friends. Don't forget to give each other the much-needed hugs. With cherishable memories etched into our hearts, we will then depart for Delhi at around 7 p.m.
