

WAYANAD, KERALA

10TH TO 15TH JUNE'23

WAYANAD FOR US

Wayanad is one of our favorite locations in India. Kerala is called 'God's Own Country' for a good reason. The beauty that lies within this region is like no other, and Wayanad is its best kept secret.

From breath taking waterfalls to adventurous hikes, from lush green forests to infinity pools and camping sites, this trip has got it all. We will be hiking and camping in the wild, diving into varied waterfalls, witnessing some of the most gorgeous water streams, and what not.

For all the adventurous souls and water babies out there, you definitely don't want to miss out on this one.

Now, imagine doing all this with a bunch of strangers? What could be better.

Note: We will provide transfers to and from Kannur Airport, if you choose to come from Calicut airport, we would arrange a cab for you, but the charges would be extra.

After checking in, we will freshen up and enjoy the beautiful property we are staying at. We will be going for short walks nearby and spend the day getting to know each other, playing games, and partying at night.

The property is in a secluded region, full of lush green valleys so it will be like having our own place in the forest.

Get excited, because this is just the start!

DAY 2: TRANSFER TO JUNGLE CAMPS IN 900 KANDI, WATERFALL HIKE, AND BONFIRE NIGHT

After a delicious South Indian breakfast, we will check out by 11am and head to our camping location in the middle of the jungle. This beautiful location is accompanied by varied hikes, waterfalls etc. Once we check into the camps, we will have lunch there and head out for a hike to a waterfall. Carry your dry fit clothes and swimsuits, because we will be diving into this gorgeous waterfall.

You can put your legs in the water/jump in and enjoy the cold water which will make you scream with joy.

We will get some great shots, enjoy the waterfall, play games and after our hearts are full, come back from the hike for a fun filled bonfire night.

Let's feel free and dance to the music, sing together and bond with the beautiful souls who we have met on this trip.

A photograph of a waterfall cascading down a rocky cliff in a lush jungle. The water is white and frothy as it falls. The surrounding area is filled with dense green foliage and trees. The waterfall is the central focus of the image.

DAY 3: STREAM HIKE, INFINITY POOL VISIT, AND WATERFALL HIKE

Today is one of the most exciting days of the trip.

We will be starting the day with an exquisite stream hike. We will wake up early, hop out of our beds, put on a jacket, and hike to this beautiful water stream in the jungle. It is going to be an adventurous experience, so be ready for it.

We will probably be the only ones doing the hike, because these hikes and waterfalls are accessible only to the people living in the Jungle camps and cabins.

After having some fun hiking this stream, we will come back for an even more exciting day ahead. We will head for an adventurous jeep ride to Wayanad's very famous 'Infinity Pool'. This one is special.

Situated amidst the forest, this place is hardly known to anyone. You can get in the water if you are good at swimming or have life jackets, or you can click some good shots around it, either way the view of this place will be one that will be etched in your memory forever. Need those few minutes of silence with yourself, you can get that here.

After enjoying some leisure time at the Infinity Pool, we will head to our personal favorite waterfall. This waterfall is no less than the waterfalls of the Northeast.

Last time we went there, we climbed on the rocks and sat right in the waterfall, feeling the pressure of the water and witnessed some gorgeous rainbows. This is one place you definitely don't want to miss.

DAY 4: FOREST TREK, CHECKOUT FROM JUNGLE CAMPS AND HEAD TO SOOCHIPARA FALLS, FURTHER TRANSFER TO RESORT IN VYTHIRI

We will get up early morning and go for a short hike in the forest. This will be one pleasant morning walk where we will hear the birds chirping, witness the lush green beauty of the trees and valleys and enjoy the sunlight as it spreads across the forest.

We will now straightaway head to the most famous waterfall of Wayanad, Soochipara Falls. The crystal-clear water of this place will lure your eyes to just keep watching it for a long time.

We will then head towards our beautiful resort in Vythiri.

DAY 5: TEA PLANTATION AND BANASURA SAGAR DAM VISIT

We will start the day by exploring the beautiful tea plantations and get some nice shots clicked there. After that, we will head to the beautiful Banasura dam, the largest dam in Asia.

It's a nice drive where we will experience lush green valleys, hills and villages. At this time of the month everything looks pretty in Kerala.

After a short walk, we will reach the point from where we will go for a speed boat ride. Get ready because this is a splendid ride where you will witness various islands on the way.

Later, we will head back to our resort. This is our last night of the trip so let's make it memorable. Be ready for some story sharing sessions, fun games and more bonding. You will be leaving home with not just memories but friends for lifetime.

DAY 6: FLY OUT FROM WAYANAD POST BREAKFAST

It's time to bid adieu to some wonderful people that you met on the trip. Make sure you give a tight hug to the ones who were a part of this beautiful Wayanad trip.
